Sir,

I have the honour to state that, with a view to keep the normal expenditure below the normal income and to improve the finances of the Municipality, the Municipal Council of Shikarpur Town Municipality proposed, at their meeting held on 21st September 1924, to impose a lighting tax of one anna in the rupee on house and vacant sites, and accordingly, a notification under section 60(1) of the Municipal Regulation was published in the Gazette dated 27th November 1924, inviting objections or suggestions from the inhabitants of Shikarpur Town for the proposed imposition of the tax

2 It is reported that, as no objections were received even after one month had elapsed, the Council have, at their meeting held on the 23rd January 1925, finally resolved, that the proposal of the Municipality to levy light tax, be sent up to Government for sanction

3 I therefore request that sanction of Government to the proposal of the Municipal Council of Shikarpur to levy the lighting tax may kindly be obtained

4 A copy of the resolution of the council and a copy of report

No D [illegible] 93 dated 13th February 1925, received from the - President, and a draft notification in English and Kannada, are submitted herewith for perusal

Letter No 93/Ml 24-25 dated 13th February 1925, from the President Shikarpur Municipality, to the Deputy Commissioner, Shimoga District

I beg to report that the Municipal Council of Shikarpur resolved at their meeting held on 21st September 1924, to impose light tax of one anna in a rupee, on house and vacant site taxes under section 60 of - clause (b) of Municipal Regulation No V11 of 1906 and a notification was published in the Mysore Gazette dated 27th November 1924 calling for - objections from the inhabitants of Shikarpur Town for the proposed - imposition of light tax No objections having been received even - though one month had elapsed since the notification, the council at their meeting held on 23rd January 1925, have resolved that the proposal may be submitted for obtaining sanction of Government Extract of the proceedings of the Municipal Council in the matter is herewith enclosed for favour of kind perusal

2 The Municipality has been strictly hard for the past 3 or 4 years to maintain the prescribed minimum balance but it has not been possible In the interest of the finances of the Municipality, the imposition of the new taxes is very essential

3 Besides, the Government have observed, in sanctioning the Budget estimates of the Municipality for the current year, that the Municipal Council has not been able to keep the normal expenditure below the normal income for some time past and that, definite proposals to augment the income of the Municipality are invited. Under these circumstances, I request that the sanction of Government may kindly be obtained to the proposal of the Municipal Council in the matter of imposing light tax at the proposed rates

Copies of notification and rules, both in English and Kannada, have also been enclosed for favour of kind perusal
